With drama, danger, excitement and humour, Maxine Mellor's Mystery Project follows the story of Agatha – an aspiring detective and Elspeth – a girl with a shadowy secret, as they delve into books, uncover clues and unravel Elspeth's mysterious past.

The play utilises the murder mystery genre to humorously and dramatically explore the themes and ideas of playing with the truth, imaginary friends, trust and friendship and overcoming fears.

#### **SANDGATE SWIMMING CLUB**

The Club has decided that it will offer winter squad for those interested.

The plan is to start these on the week beginning May 4.

As such, after Easter there will be a two week block with normal squad times and fees, except that Senior Squad will commence at 4.15pm on Monday, Wednesday and Friday (Senior Squad has now moved to this time immediately)

#### **From May 4, the Squad times will be**

Monday	3.30pm for Junior Squad 4.15pm for Intermediate and Senior Squad
Wednesday	3.30pm for all squads
Friday	3.30pm for all squads

There will be no Saturday squad sessions.

Junior Squad goes for 45 minutes, Intermediate for 1 hour and Senior for 1 ½ hours so each squad will have different finishing times.

These times may be subject to change, depending on the numbers attending.

#### **Fees**

To encourage your children to keep swimming we will offer fees for either swimming once a week or twice or more a week.

From May 4 we will have an 8 week block of fees due for the period 4 May to 26 June 2009 (just before the school holidays).

It will be \$64 for the 8 week block for one session a week, payable in advance with no refunds.

It will be \$120 for the 8 week block for 2 or more sessions a week, payable in advance with no refunds.

Should you have any queries please contact me. I stress that we need good numbers in the pool to not put too much of a strain on the Club's finances.

Regards,  
Helen.
